

the difference
1 can make.

Greetings!

We hope the start of the year has gone smoothly for everyone.

Every year, 8th grade Executive Cabinet runs a program called **Food for Funds** in all Glencoe schools. We are pleased to announce the continuation of this program. All you need to do is shop at Grand Food Centers in Glencoe or Winnetka and bring your receipts to one of the three schools' collection containers in the main office. The Grand Food Center will then graciously donate 3% of the total amount we collect. These funds will be donated to the Juvenile Diabetes Research Foundation.

In addition to this, we are starting two new collections at Central School only. The programs are **Box Tops for Education** and **Pop Top Tabs**. You can find box tops on all General Mills food products, and you can find pop top tabs on any canned beverage. These collections will go towards Ronald McDonald House Charities or the Juvenile Diabetes Research Foundation. At Central School, a box top collection container will be located in the front office and the pop tab collection containers will be found in the cafeteria. If collected at home, please send these in your child's lunch box.

Thank you for your support!
